

Bill Roberts PTA
Wednesday, October 11th, 2017 6:30pm to 7:30pm
Bill Roberts Cafetorium
AGENDA

Call to Order - 12 people present (11 voting members)

Presidents Report: Wendy Largey billrobertspta@gmail.com

- From teachers: Flyers for folders must be put in mailboxes by Thursday morning -- if later, it will go home following week
- PTA funds are in checking account and King Soopers in a savings account. Separated into two separate account, so \$67,750.91 moved to a separate bank account for King Soopers
- PTA checking has \$119,606.19 and savings has \$17,456.97 -- we would like to keep some savings "reserves", but right now we want to purchase something for the school, because as a non-profit we should not have a large amount of unspent funds. The rule of thumb for reserves are 3 to 6 months of your yearly expenses.
 - 11 voting members present
 - VOTE: Do we want to spend some of our funds to improve school?

	<ul style="list-style-type: none"> ● The NPRE food drive was a huge success -- our school community donated over 6 barrels-worth of food - all of this stays at the school. The pantry is full stocked! <ul style="list-style-type: none"> ○ Our food pantry is currently serving 15+ families on a weekly basis. ● We'll soon roll out our holiday outreach plans. These plans include providing critical needs families with King Soopers gift cards for Thanksgiving break and the annual December outreach endeavor. <ul style="list-style-type: none"> ○ In December our school community will fulfill gift wish lists, provide a holiday meal basket, and hopefully more grocery gift cards to help them get through Winter Break. ● The Family Outreach committee is planning a few volunteer days at Food Bank of the Rockies throughout the year. The first one is in November. Each 3 hr shift of volunteer work earns 20lbs in food credit for our account. ● Finally, we received a personalized Community Impact Report from the Food Bank of the Rockies that summarizes our activity for last school year. The coolest part of the summary shows that the distributions from our little Bill Roberts food pantry provided approximately 1,300 meals to our families in need.

- We recruited room parents for almost all ECE-5th grade classes. So far there are no room parents for middle school, however, the middle school has its own strong support and communication and doesn't need room parents similar to the elementary grades. We do hope for an auction basket contribution from middle school and will reach out closer to auction to achieve that. The first staff appreciation event is approaching on Thursday, October 19th, it is protein snack and the sign up is full, thank you everyone!
