 - b. Boys Soccer

New Athletics Registration: Arbiter!

Denver Public Schools invites you to register for 2024-2025 DPS Prep League Middle School Athletics! We have moved to a new platform this year, Arbiter Registration. Please be sure to follow the steps below to complete your registration and ensure that your student is registered for athletic participation at your school.

Reminders (please read through before registering below):

1. Registration is open for the first season of middle school sports. This school year, those sports will include Baseball, Girls Soccer, and Boys & Girls Cross Country.
2. With Arbiter Registration, you just need to create one family account and you can register multiple students (high school and middle school both use this registration platform). You will also be able to easily register your student(s) for multiple sports throughout the school year via this platform.
3. Documentation of a current [physical exam](#) is required for participation. Please upload a current physical exam to the student's profile when registering on Arbiter Registration. If a physical exam is not available at the time of registration, you may also upload it at a later time.
4. The Pay-to-Play Participation fees this year (per sport) will be \$35 with a free/reduced lunch rate of \$25. If you qualify for the FRL rate, you can select this option to pay. Please make sure your documentation is on file with the school.
 - a. You will need to submit payment via My School Bucks to complete your student's registration. At the end of Arbiter Registration, it will take you to MSB to complete

payment. When prompted on the MSB page, "check out as a guest" is the most efficient way to submit payment as you will be directed to a page to pay by credit card.

Arbiter Registration process:

1. Create an Arbiter Registration account (you only need one account for your whole family)
 - a. You may create your account by [clicking here](#).
2. Activate your Arbiter Registration account from the activation link that will be automatically sent to your email. (Note: this email may go into your junk folder).
 - a. If you are having trouble creating your account, receiving the activation email, or logging into it, you may contact support at 800-311-4060.
3. Once you have successfully created your account and are logged in, please click on the registration link below for your school to complete your registration.
4. Once you have completed your registration, you will receive an email notification to let you know we have received your registration. Students MUST be registered and cleared to be eligible for participation.
