

# BOBCAT BULLETIN: The Weekly Roar!

January 19th, 2024

## PAWSITIVE NEWS!

Roberts Families,

During this season of winter- with the cold weather, less time outside (unless you're sitting in traffic coming back from the mountains)- it's easy to get overwhelmed by everything going on in and out of school ... don't forget to breath and to help your child(ren) maintain balance :) We are here to help!

Looking ahead, we have a Lockdown Drill on Monday, February 5th. We are sensitive to the stress this may cause students. Please see Happenings below for more details!

Mr. Sanders
