Middle School Choice: We hosted an Open House that was well-attended by current Roberts families and families from other elementary schools in the boundary. Middle school tours have been overflowing with attendees and we had to add two extra tours. We expect the majority of 5th graders to return to Roberts for Middle School (similar to past years), but won't have official numbers until the Choice process is complete

Upcoming events this Spring: The annual dinner theater put on by Advanced Drama is a musical for the first time (Rohal Dahl Willy Wonka Jr. ). There are two middle school dances this Spring, as well as the Annual Chili cook-off and basketball tournament teachers v students.

8th grade trip: 8th graders will go to Florida this year for 5 days in May.

The head of the Middle School, Dr. Cohen, is on leave until March. Trich and Katheryn have taken over leadership responsibilities. Our Operations Manager Bianca Rivera moved to a position outside of DPS and has been replaced by Sarah Connolly, who has been part of the Roberts community for years and is a wonderful addition to the middle school.
