Summer Connections is a fun academic program where your child will be exposed to content from their upcoming grade. DPS students entering first through fifth grade in the fall are encouraged to apply!

- No cost to families.
- Full-day programming from June 17 through July 19. No school on June 19, July 4 or July 5.
- Literacy, math, science and technology programming with enrichment activities daily.

We ask that families commit to the full five-week program. Scan the QR code to learn more or to register your child!
