ANNOUNCEMENTS

An Important Message from our PTA DEI Committee In the wake of many challenging news items, there is much uncertainty in our school, community, and world. This uncertainty can be overwhelming and isolating. The Bill Roberts Parent Diversity, Equity, and Inclusion Committee is a safe place that welcomes all families, faculty, staff, and students. The parent-led committee is dedicated to building and cultivating a culturally sensitive, inclusive, and equitable environment for ALL students and families at Bill Roberts. The committee is open to all Bill Roberts families as a support and accountability partner with the BR administration in the spirit of upholding the values of equity at Bill Roberts. If you or your child are struggling, we invite families to reach out to the parent DEI committee (BRDEICOMMITTEE@GMAIL.COM) for additional support.

Parent Discussion Group Hosted by the PTA Safety Committee You're invited to a conversation with fellow Bill Roberts families about technology safety on Wednesday, February 26th from 6 to 7:30 pm at the school. We will hear from Nicole Siegel Levine, who is an ambassador for Ok to Delay and a BR parent who will be sharing information about the organization and ways parents can stay informed about cell phone/social media safety. The presentation will be followed by breakout groups for discussion.

This event is organized by the Bill Roberts Safety Committee. Learn more and [RSVP here](#).

Prior to our session, please review some of the resources listed in the RSVP link. There are many options for learning about this topic prior; do what you have time for! If you have questions, please contact Julia Bissell at juliabissell@gmail.com.

Bobcat Bulletin: The Weekly Roar!

Reminder We Support Our Immigrant Families Bill Roberts and Denver Public Schools are committed to providing equitable and inclusive environments where all of our students feel safe as well as socially and emotionally supported. With the potential change of federal policies, students, families, and staff who are undocumented are experiencing unease and uncertainty regarding potential mass deportation. Please see [this message](#) from our DPS Superintendent for more information.

Reminder Emergency Contacts In order to ensure that all of our students have a support person available in case of an emergency, we are requesting that you add at least three emergency contacts (other than the parent/guardian) to your child's profile in the Infinite Campus (IC) system. This will help us ensure that there are always additional individuals who can be reached if necessary. Please see step by step instructions below.

Reminder Mental Health Awareness On last week's First Fridays with Mr. Sanders, our Mental Health Team discussed various topics including information about curriculum that is used for 5th and 6th Grade Mental Health Awareness lessons. [HERE](#) is a one pager where you can find more information about SOS (6th) and [HERE](#) is a scope and sequence of lessons provided through Riding the Waves (5th). Please reach out to a member of our Mental Health Team with any questions!
